Re: _____ LONG ISLAND OFFICE

I am requesting an extension to do the deposition
and the following relief:

- (a) that I be allowed to do the depositions at MCC
while in N.Y.,
- (b) that I be kept in N.Y. for the purpose of allowing
Attorney Lammis Deek to review the files in this case for
possible representation; the court previously granted such
relief;
- (c) That discovery be completed and a trial date set while
I am here;
